Reference letter

In this letter I would like to express my satisfaction with the cooperation with ExamineChina,

We ordered Credit Report, and all orders were related to Chinese companies. The company ExamineChina delivered all orders professionally and on time. ExamineChina's Credit Reports helped us to deal with our suppliers, thanks to it, we reduced the risk of cooperation with Chinese companies.

I would like to recommend ExamineChina as a reliable partner, providing professional and reliable services.

We look forward to further cooperation and wish them further success
