### REFERENCE LETTER

With this letter, I would like to express my satisfaction with the cooperation with ExamineChina company. They have provided Chinese supplier verification and preparation of commercial contract services for my company.

ExamineChina verified my Chinese supplier to ensure their credibility so I could go through the import process without unnecessary stress. A commercial contract written in English and Chinese secured the import process. ExamineChina advised me on how to protect my interests best, and they adjusted the contract according to my needs.

The services of ExamineChina were professional; we could rely on them to advise and help us during our cooperation. Their services made the import process easier and safer for my company.

I recommend the services of ExamineChina to everyone who wants to do business with Chinese suppliers safely and professionally.

Yours Faithfully,
