OPINION

Our evaluation results estimates the cooperation risk with:

Ningbo Rocking Import & Export Co., Ltd.

as **medium**.

The company has a valid registration and has been operating in China since 2013.

On the website, the company claims to be a manufacturer, but in fact, it is only a trading company employing a few people.

We recommend conducting a Chinese factory inspection before starting cooperation.

If you decide to use their services, you should proceed with caution. We recommend you sign a valid contract that fulfills the requirements of Chinese law.

We estimate that the level of risk is **medium**.

Please refer to the details of the Credit Report.
